

Delay Oilers' Return

Union Coalition
Has Agreed to Meet
With WSB Tuesday;
Strike End Asked

DENVER (AP)—A union coalition directing a nation-wide strike of about 90,000 oil workers delayed its decision today on whether to resume work pending a meeting with the Wage Stabilization Board next Tuesday.

Effects of the strike, which already has cut commercial and private flying, brought out coal locomotives in place of oil-burning diesels, dried up filling station pumps in scattered areas and spread to Alaska. Military flying there was drastically curtailed.

The co-ordinating committee of the 22 unions which called the strike April 30 for higher wages has agreed to attend the Washington conference.

Regrets WSB Action

However, O. A. Knight, president of the Oil Workers International Union (CIO), largest in the coalition, said in Denver he regretted the WSB's action at this time. Knight said it threatens several negotiations he termed promising.

Knight also disclosed that striking oil workers and the Defense Department have agreed on procedures to keep essential petroleum products flowing to the armed services.

He said this was done "to safeguard the war effort and to prevent a slowdown in the defense program."

Screen Services Demands

All Army, Navy and Air Force requests for release of essential petroleum products from strikebound plants must be sent to the department. It will screen them and then relay those it approves to Knight's headquarters in Denver.

"I will then relay these requests to the local or locals involved and the oil products will be released to the government," Knight said in a statement.

"We made it clear when the nation-wide oil strike began that we were not striking against the public and certainly not striking against our armed forces."

WSB Chairman Nathan P. Feinsinger in Washington yesterday asked for an end to the strike and renewal of bargaining. The meeting next Tuesday will be to give the WSB a full background of the controversy.

This opened the way for speculation that the WSB, which never handles a case when a strike is in progress, will turn the oil dispute back to President Truman, who will be faced with the problem of whether to invoke the Taft-Hartley Act. This could bring about an injunction barring further striking for 80 days.

It is possible bargaining for settlement with the aid of Federal Mediation and Conciliation Service would be renewed.

Several recently negotiated contracts might be considered a pattern for nationwide settlement.

O. A. Knight of Denver, president of the Oil Workers International Union (CIO), which heads the coalition of AFL, independent and CIO unions, wired Feinsinger:

"The coordinating committee of the oil unions... agrees to attend the meeting before the Wage Stabilization Board May 13, as you requested."

"Your request that the parties 'resume work and production immediately' is being considered by all groups involved and our reply to this request will follow at the earliest possible moment."

Regret Board Action

"We regret the board's action at this time and point out that it might cause an immediate breakdown in negotiations which have been progressing favorably in several areas."

The board turned the dispute back to the unions and management April 16 for more collective bargaining after failure to get hearings under way.

As the strike entered its eighth day today with oil refining capacity reduced by a third, the effects were becoming more serious.

County Court Orders 2 Special Elections

The Pettis County Court has ordered special elections to be held in Green Ridge Special Road District No. 40 and in Houstonia Special Road District No. 6. Both elections will be held May 20.

The Green Ridge proposal is set at 25 cents (in excess) per 100 dollars valuation. The voting will be held at the Baker Lumber Yard office in Green Ridge.

The Houstonia proposal is 30 cents (in excess) per 100 dollars valuation. Ballots will be cast at the Houstonia Garage.

Inquest Into Death At Marshall Sale Barn

An inquest into the death of Harvey Phipps, 60, a Boonville resident who died unexpectedly while in the ring of the Marshall Sales Barn last Friday, will be held at Marshall by Dr. C. L. Lawless at 10 a.m. Thursday.

Phipps died several minutes after an encounter with Floyd Burton Sr., 610 East 10th. Burton was charged with common assault and released on a \$1,000 bond to appear in Magistrate Court at Marshall Friday.

Gen. Vandenberg Speaks—Russia, In Two Years, Can Launch Atomic Attack on US

WASHINGTON (AP)—Air Force Gen. Hoyt S. Vandenberg told senators today that within two years Soviet Russia "will possess the means of launching against this country a long-range atomic attack."

"Unless effectively opposed and countered, this attack could neutralize our own ability to retaliate and at the same time could seriously cripple certain key centers of the industrial productivity upon which we depend for ultimate victory in war," the general said.

The Air Force commander joined other Pentagon top brass and civilian secretaries in protesting House-approved slashes in defense spending during the next fiscal year starting July 1.

The House voted to limit actual military spending in the new fiscal year to not more than 46 billion dollars, some six billions under the present plans. Most of this would apply to the billions Congress has voted for defense in the past two or three years.

It also ordered a 4½-billion-dollar slash in new funds asked.

Vandenberg's prepared testimony would be delivered today behind closed doors of a Senate appropriations subcommittee consider-

ing new money bills for the Defense Department, was handed to reporters in advance.

Because the Air Force chief was serving his vice chief of staff, Gen. Nathan F. Twining, arranged to read his statement to the subcommittee. The nature of Vandenberg's ailment was not disclosed but officers said the operation would be exploratory to determine the source of severe pain.

Vandenberg's statement said that, while this country has been "stretching out and whittling down our air power," the Soviet Union has been building up and expanding its combat air forces.

Even so, he said, the United States still has a slight superiority because of "our long-range bomber force, combined with our national advantage in atomic weapons."

By 1954, he said, "control of the air, with all that implies, will then be within the grasp of the Soviet Union."

He said the House restrictions would delay delivery of about 3,000 modern aircraft between next Jan. 1 and the middle of 1954 "when according to all reasonable estimates this nation will arrive at a point of grave danger."

Strikes and Chaos If WSB Is Stripped of Its Powers

That Is View of Feinsinger, Chairman Of Board, As Given to House Committee Investigating Steel Dispute Rulings

WASHINGTON (AP)—Nathan P. Feinsinger told Congress today a rash of serious strikes and industrial "Chaos" may result if Congress strips the Wage Stabilization Board of power to recommend settlements in labor disputes.

Feinsinger, chairman of the WSB, testified at the House Labor Committee investigation of his agency. Only yesterday Charles E. Wilson, former mobilization chief who resigned in protest against administration handling of the steel labor case, had suggested to the group the wage board's powers should be trimmed down.

Wilson asserted the WSB went far beyond stabilization policy in its recommendations for a wage rise for steel workers.

Feinsinger said the board's recommendations were fair and were consistent with wage increases negotiated voluntarily in other industries.

Feinsinger urged that Congress take no "hasty action" which he said could result in "serious consequences."

"Already," Feinsinger continued, "There are signs of serious unrest resulting from uncertainty as to whether or not the board's jurisdiction will continue. I fear not only to disputes which might in the future be certified or submitted to the board for assistance in final settlement, but also to disputes now pending before the board."

Other Industries Involved
These disputes include a substantial part of the oil industry, the iron and steel industry, the aluminum industry, and important plants in other defense industries.

"The parties to these disputes have voluntarily kept the peace while the board was considering its recommendations or decision. I do not know whether they will permit their cases to remain with the board if there is no assurance the board will be permitted to continue to handle these cases to a conclusion."

What Congress does, Feinsinger added, "may mean the difference between industrial peace and chaos in the days to come."

Opposes Just Public Members
Feinsinger opposed the idea, often proposed in Congress, that the WSB be made up of solely public members or that public members have an overwhelming majority.

The present 18-member board is made up of six members representing the public, six representing in-

dustry and six representing labor. The WSB chairman expressed doubt management and labor would willingly accept WSB decisions—even to the degree that they do under the present setup—if management and labor were reduced to an inferior status" on the WSB.

Most Decisions Unanimous
Feinsinger said it was generally overlooked that over 90 per cent of the WSB's decisions have been unanimous, with public, labor and industry members agreeing.

He said less than one per cent of the board's cases have been the so-called "dispute" cases, the remainder being wage increases negotiated by employers and unions and voluntarily and jointly submitted to the WSB for approval.

Feinsinger said he did not claim the WSB's record was "perfect by any means" but he insisted the board had been generally successful in curbing wage increases and in preserving labor peace.

Outlook for Steel Settlement Brighter Now Than In Weeks

NEW YORK (AP)—Outlook for early settlement of the steel dispute is brighter than it has been for several weeks, The Iron Age said today.

President Truman "may decide it is extremely important to achieve a settlement before the Supreme Court reviews Judge Pine's ruling" that government seizure of the steel mills is illegal, the metal-working weekly said.

"If an agreement is not reached before the Supreme Court ruling, all parties might lose," the publication went on. "Should the Supreme Court uphold Judge Pine's decision and return steel companies to their owners, it would be a bitter defeat for the administration. Mr. Murray would probably call another strike. The final give and take might be long and bitter, and might rock the industry."

LaMonte Sends Nine Blood Donor Names

Mr. and Mrs. Frank Parker, chairman of blood donor recruitment for LaMonte, sent in nine names today, the first of the county to report. The donors will give blood here Friday or Saturday while the blood bank is at the Army.

Truman, 68 Tomorrow, Looks To Whistle Stop Campaign

WASHINGTON (AP)—President Truman, approaching his 68th birthday, today contemplated a future of whistle stop campaigning against those he accused of playing right down Stalin's alley.

His targets, he says, will be the appropriators-cutters and lobbyists who have fought him since he first laid down his 21-point program of foreign and domestic legislation in September, 1945. He placed special emphasis on budget-cutters who he said were "about to ruin the national defense program."

The President put the "real estate lobby" high on his list of targets in a sample "whistle stop" speech last night to a cheering dinner crowd of members of the National Housing Conference here.

In a "give 'em hell" speech reminiscent of his 1948 election campaign, Truman displayed a vigor that seemed to belie the fact that he will turn 68 tomorrow.

"There have been certain things happening in this country that have been right down the alley Mr. Stalin wants us to go," he declared. "Now let's stop it. Let's get our senses back and stop it."

He called the "real estate lobby" a stubborn and selfish lot and added that "some of them are making their living fighting housing."

He repeated a statement of his 1948 campaign that Sen. Robert A.

Denies Air Base Scandal

Morocco Airfield
Boss In Bitter
Row With Senate
Committee Members

WASHINGTON (AP)—The contract or-boss of the huge U. S. airbase program in Morocco today denied charges of graft and mismanagement on the job, and got into a bitter row with investigating senators.

Testifying before the Senate Preparedness subcommittee, John B. Bonny accused two Army witnesses of having given false testimony alleging mishandling of the multimillion dollar project.

And, he told the subcommittee, he agrees "in general" that it has been "headline hunting" to promote Chairman Lyndon B. Johnson (D-Tex.) as a possible candidate for president.

Johnson promptly fired back that Bonny was trying to "smear the committee, smear the subcommittee staff, and some of the witnesses."

Says Statements Were False

Bonny, who is chairman of the operating committee for five contracting firms building the airbases, said Col. Harry Reed, chief of Army audit, and William J. Cassidy, a civilian Army auditor, and William J. Cassidy, a civilian Army auditor, "made statements before your committee we know to be false."

Earlier, Bonny said a rush job in building the secret air bases was motivated by a war scare more than two years ago.

Bonny said two of the bases were partially completed in 83 days so that planes could — and did — use them on July 14, 1951.

This was done, he said in sworn testimony, "at a time when those 80 days were believed to be the difference between war and peace, or the difference between defense and no defense if war came."

Best Work In Short Time

Bonny said the airbase job represents "the best work that could have been done under the whirlwind of time and the circumstances surrounding it."

Earlier witnesses had testified the Communist attack in North Korea in June, 1950, caused some top U. S. officials to fear that other Communist attacks might come in Europe or the Middle East.

Murray Not Planning Talk Over Contracts

Now Stalemated,
He Isn't Ready
To Discuss Issues

PHILADELPHIA (AP)—Philip Murray, president of United Steelworkers Union, said today he has no immediate plans to resume wage contract negotiations with America's steel industry.

"The talks are presently stalemated," he told a reporter prior to the opening of a closed meeting of the union's 36-man executive board. "I have no plans to return to the White House or to any other place and meet with industry spokesmen."

The union is seeking a wage increase and other benefits. It has twice started strikes but has ended them at the request of President Truman.

The board was summoned for the one-day Bellevue Stratford Hotel for the steelworkers' biennial convention which opens at convention hall here next Tuesday. Approximately 3,000 delegates representing the union's 1,100,000 members are expected.

Would the executive board discuss the present steel contract fight?

"Definitely," said Murray, who is also national CIO president. "I will make a report on the negotiations that collapsed last Sunday at the White House."

Negro Killed by MoPac Train Near Syracuse

SYRACUSE, Mo. (AP)—A Negro identified by the State Highway Patrol as Book Williams, about 55, of Moniteau County, was struck and killed by a Missouri Pacific passenger train early today.

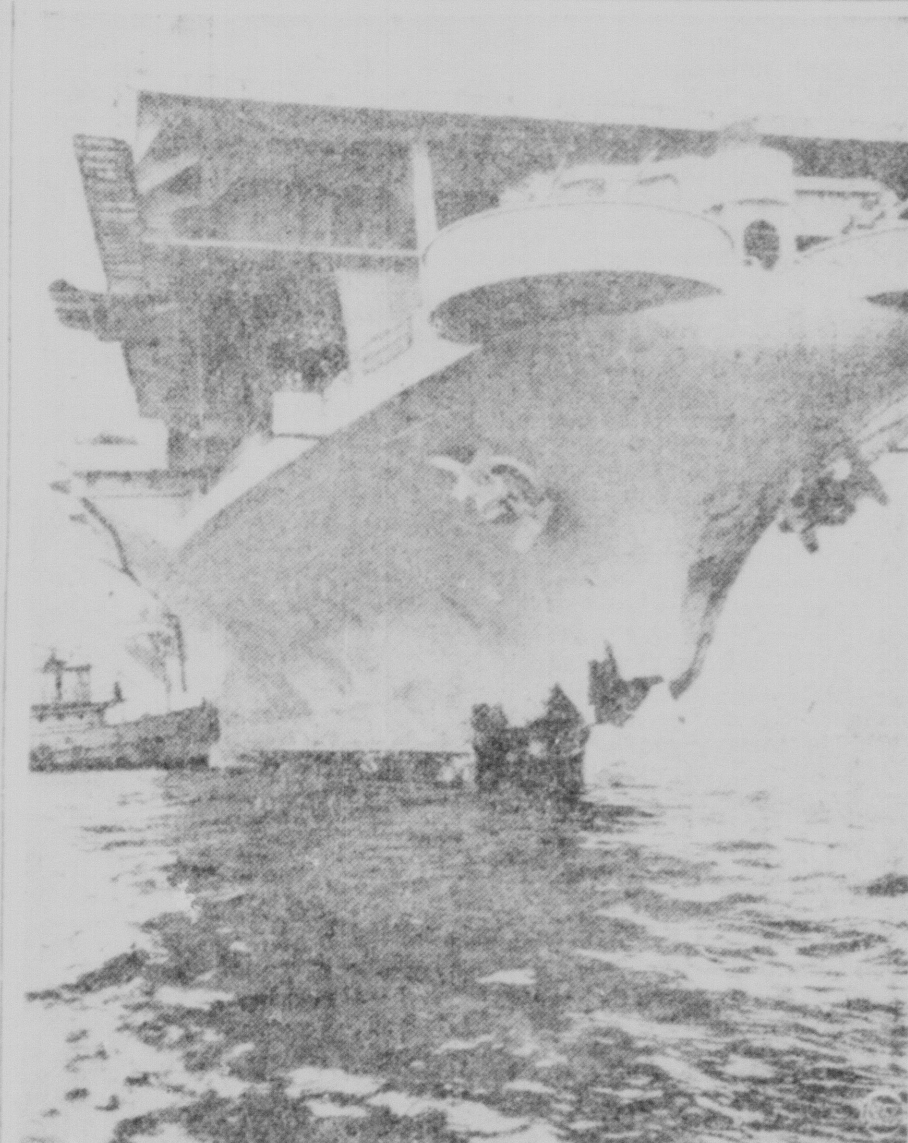

The patrol said Williams apparently was walking along the right of way about 3 a. m. just east of here when the westbound train hit him.

Still Need 200 More Blood Donors For This Weekend

At least 200 more volunteer blood donors are needed for the Red Cross blood bank this Friday and Saturday. With the visit of the bank only a day away, there are only 220 names on the donor registration list.

Some 450 names are needed to fill the quota of 200 donors per day, officials said.

Registration may be made by calling the Red Cross office.

CRIPPLED "WASP" BACK HOME — With a gaping hole in its bow, the carrier, "Wasp," arrived in New York after a slow trip from the mid-Atlantic scene of its collision with the "USS Hobson." The "Hobson" sank with 176 of its men in the disaster, which occurred during maneuvers. —(NEA Telephone)

Taft and Kefauver Win In Ohio; Farm Vote Boosts Russell In Fla.

Ohio Gives Native Son Probably All Its Delegate Votes

COLUMBUS, O. (AP)—Sen. Robert A. Taft today won most — if not all — of Ohio's 36 Republican presidential votes as Sen. Estes Kefauver made a surprisingly strong bid for a score of Democratic delegates.

In what looked like a sweep over former Gov. Harold E. Stassen of Minnesota in yesterday's record-breaking primary, Taft supporters rolled up impressive victories to grab 46 delegate places and held long leads in 10 other races.

Kefauver, running only a partial slate, appeared likely to offset his Florida popularity primary loss to Sen. Richard B. Russell by collecting 20 or more of Ohio's 34 Democratic presidential votes.

By any odds, he had upset the plans of state Democratic leaders to keep the Ohio delegation intact and unpledged to a national candidate under the banner of former Sen. Robert J. Bulkley as a "favorite son."

Taft's sweep over Stassen seemed to have shut out any possibility that Gen. Dwight D. Eisenhower could get even second-choice support from Ohio. Most of Stassen's delegate candidates had said they would give such support to the general.

Charles Taft Wins Too

In a state primary contest, Charles P. Taft, the senator's brother made it an all-Taft day by winning the Republican nomination for governor. He will meet Democratic Gov. Frank J. Lausche, unopposed in his party's primary, in November.

Taft claimed his victory in Ohio would give him 401 convention votes to Eisenhower's 271, adding that this was two-thirds of the 604 needed for the nomination.

Leads Ike by 3 Votes

The Associated Press tabulation, including only the sure eight votes won by the senator in uncontested races here, gave him a lead of 284 to 281 over Eisenhower. His additional Ohio delegates would swell this lead appreciably.

In the only state-wide test of his strength — the contest between his at-large slate of 10 delegates and a similar slate pledged to Stassen — Taft's top candidate was getting 79 per cent of the votes and Stassen's leading candidate about 21 per cent.

The top Taft candidate was Sen. John W. Bricker, unopposed for renomination to the Senate.

In the Democratic race to pick Bricker's opponent, Michael D. Salle, former price stabilizer, held the lead over three opponents.

Kefauver was contending for a total of 31 of the state's 54 votes. He had elected one delegate unopposed and his candidates were leading in races involving 25 other Chicago convention votes.

Enters Only Half Slate
A slate headed by former Sen. Robert J. Bulkley got 22 Chicago convention votes in uncontested delegate elections but was leading in only two races where it was faced with Kefauver opposition. In one contest, a Bulkley delegate faced only an independent candidate. It was one of two districts electing four delegates, which were unreported.

Kefauver entered only half a slate for the eight-vote at-large races, giving Bulkley four of his 22 sure votes in that category.

The Kefauver half slate, however, was outstripping its Bulkley opposition. The leading Kefauver delegate, former Atty. Gen. Herbert S. Duffy was getting 60 per cent of the vote on tabulations from about one-fourth of the precincts.

Kefauver entered only half a slate for the eight-vote at-large races, giving Bulkley four of his 22 sure votes in that category.

US Calls UN Truce Plan 'Fair, Final'; Not An Ultimatum

Allies Will Not Grant Concessions Again, But Stand Willing to Discuss Details of Armistice With Commies

WASHINGTON, May 7.—(AP)—President Truman said today the United States will not buy an armistice in Korea "by turning over human beings for slaughter or slavery."

The president backed up in a statement the stand by United Nations truce negotiators against forced return of prisoners of war to the Reds.

WASHINGTON (AP)—United States officials described as "fair" and "final" today the package proposal for an armistice made to the Communists in Korea. Deputy Secretary of Defense William C. Foster called it final, saying it has the approval of the United Nations Allies and that there will be no further concessions.

But in talking to reporters, Foster said this firm stand is not an ultimatum.

While the United States considers the offer final, Foster said, it is "perfectly willing" to discuss with the Reds the details.

Foster was asked what the alternatives would be if the Communists rejected the proposals.

Alternatives Available
He replied that a "number of alternatives are available," but that the course of events would affect which ones would be used.

He was asked if a Naval blockade of the China Coast was one alternative. Foster answered that "Naval blockades of course, have been discussed."

He said, in reply to another question, that proposals for attacking the Chinese Mainland have been "one of many things discussed at various levels," but there has been "no final decision of what can be done."

Earlier, Secretary of State Acheson had discussed the proposals briefly at a news conference.

Allowing direct quotation, he said: "Acheson Calls Them 'Fair'"

"It is plain, in my judgment, that the proposals made by Gen. Ridgway are fair and reasonable and that anyone who wished to bring about a truce in Korea would accept those proposals. The proposals were made with the complete support of the government of the United States."

Acheson spoke out at a news conference after secret sessions between U.N. and Red negotiators at Panmunjom wound up in disagreement, casting doubt over the whole future of the negotiations.

The development could be followed quickly by resumption of active fighting, or even a major Communist offensive, but officials here said they clung to the straw of hope for settlement.

Eden Says UN Will Refuse to Compromise

LONDON (AP)—Foreign Secretary Anthony Eden asserted today the United Nations would refuse to compromise with the Communists in North Korea on the prisoners of war issue.

"There is no concession we can make on this issue," Eden told the House of Commons.

Eden outlined the United Nations offer for return of some 70,000 prisoners-of-war. The Communists want all prisoners-of-war returned, even if it is against their will.

Democrat Ward, Township Meets On Friday Night

The Pettis County Democrats will hold township and ward meetings at 8 o'clock Friday night to elect delegates to the county convention to be held at 2 p.m. Saturday at the Courthouse. The county convention will elect 11 delegates to the state convention to be held at Jefferson City on Monday, May 26.

The township meetings will be held at the voting places.

The delegate membership is elected on the basis of one for each 100 votes or fraction thereof cast for President Harry S. Truman in the election of 1948. Each township is to receive one vote regardless if the vote is less than a major fraction.

The ward meetings in Sedalia will be held at Mark Twain school in the First Ward, Jefferson School in the Second Ward, Washington School in the Third Ward, and Broadway School in the Fourth Ward.

The county convention is to be held in the Assembly Room of the Courthouse.

The Weather

THUNDER SHOWERS
Partly cloudy tonight and Thursday. Scattered showers tonight. Low tonight near 65. High Thursday 65-90.

The temperature at 7 a. m. was 64 degrees above zero; 85 at 1 p. m., and 87 at 2 p. m.

Lake of Ozarks: 57; fall 1.

Thought for Today

Also day by day, from the first day unto the last day, he read in the book of the law of God. And they kept the feast seven days; and on the eighth day was a solemn assembly, according to the manner. — Nehemiah 8:18.

Organization Of New Club By O. E. S.

Mr. and Mrs. William Reed, 1317 East Broadway, entertained recently honoring the worthy matrons and patrons of the ten chapters of the Eastern Star in the 36th district. Mrs. Reed is district deputy grand matron and these chapters are under her jurisdiction.

Spring flowers decorated the home and the dining table was centered with a May pole and May baskets.

Plans were discussed for the official visit of the worthy grand matron, Mrs. Ora Gardner, which will be in Sedalia on June 21.

A Worthy Matron and Patrons Club was organized with the following officers: Mrs. Olive Rundie, Warrensburg, president; Howard Gwinn, Sedalia, vice-president; Mrs. W. L. Simpson, Holden; Mrs. Frank Neitzert, Knob Noster, Mrs. William C. Baker, Jr., Warrensburg; Mrs. John Sutherland, Mrs. Dick Eckhoff, Mr. and Mrs. Donald Donath, Mrs. Howard Gwinn and Mrs. Max Holland all of Sedalia.

Tentative plans were made for a summer meeting at Knob Noster Park on August 10. After this year the club will be known as the '32 Club.

Others present were Mr. and Mrs. Marion Evans, Chilhowee; Mr. and Mrs. J. A. Gordon, Green Ridge; Mrs. W. L. Simpson and Mr. and Mrs. J. C. Thomas, Holden; Mrs. Frank Neitzert, Knob Noster, Mr. and Mrs. William C. Baker, Jr., Warrensburg; Mrs. John Sutherland, Mrs. Dick Eckhoff, Mr. and Mrs. Donald Donath, Mrs. Howard Gwinn and Mrs. Max Holland all of Sedalia.

Mrs. Holland and Mrs. Gwinn assisted Mrs. Reed in serving refreshments.

Basket Dinner For Birthday

A basket dinner and family reunion were held Sunday at Liberty Park honoring H. C. Turner, 700 East 15th, on his 82nd birthday anniversary. Mr. Turner formerly lived at Syracuse.

All of his children and their families were with him for the day. They are: Mrs. Della Kennedy of Louisville, Ky.; Mr. and Mrs. George Sparks and Mr. and Mrs. Roy Turner and sons, Clifford and Ray, of Trenton; Mrs. Helen Turner and son, Jimmy, Harrisonville; Dr. and Mrs. Richard Fulk, California, Mo.; Mr. and Mrs. Norman Turner, Harold, Nita and Ruth of Springfield; also Mr. Turner's grandchildren, Mr. and Mrs. LeRoy Moon and Elaine and Mr. and Mrs. R. E. Carver of Sedalia; Mr. and Mrs. James McNeal, St. Louis, and a nephew and his wife, Mr. and Mrs. Howard Turner and Linda, Sedalia. Others attending were Miss Ann Harvey and Charles Moore of Harrisonville and Mr. and Mrs. Bill Arnold of Versailles.

Mrs. Ralph Brim Is Hostess to Class

The K. J. U. Class of the LaMonte Christian Church met at the home of Mrs. Ralph Brim in an all day meeting recently.

There were 14 members present and the following guests, Mrs. Paul Brim and daughter, Janice, Mrs. George Martin and Linda Kay and Mr. Norvel Toole and two sons.

The next meeting will be held at the home of Mrs. Ernest Fredricks.

Some tribes of American Indians once believed there is an old woman in the moon making a basket and that the world will be destroyed when the basket is completed.

Sedalia Social Calendar

Garden Club No. 1, has postponed its meeting from this Friday until Friday, May 16, at which time the meeting will be at the home of Mrs. W. W. Blain, 409 Dal-Whi-Mo.

MEETING PLACE CHANGED

Garden Club No. 5 will be at the home of Mrs. Roy Bowers, 323 West Fourth, Friday afternoon instead of at the home of Mrs. W. J. Menefee.

Garden Club No. 3 will meet on Friday at the home of Mrs. H. C. Sammons, 405 North Stewart, with Mrs. C. L. Carter, Mrs. Nannie Knight, Mrs. Wilford Acker and Miss Helen Baple as hostesses.

MONDAY

Circle No. 10 will meet with Mrs. R. R. Conn Jr., 1318 South Quincy at 7:30 Monday evening, May 12.

WEDNESDAY

The Daisy Belle Circle of the Epworth Methodist Church will meet at the home of Mrs. Fred Withers, 1819 East Broadway, Wednesday for an all day meeting. A covered dish dinner will be served at noon.

Loyal Circle of Epworth Methodist Church will meet 2 p.m. Wednesday at the home of Mrs. Oma Cox, 1002 East Fifth.

The WSCS of the First Methodist Church will sponsor a family night dinner at the church at 6:30 p.m. May 7, with each family to bring a covered dish. Mrs. Charley Maggard, Mrs. E. D. Sutherland and Mrs. Ollie Lewis will be hostesses.

The Ladies Elks Auxiliary, B. F. O. E. 125, will meet Wednesday at 8 p.m. at the Elks' Home.

THURSDAY

The day circles of the Women's Missionary Society of the First Baptist church will meet in the following homes at 2:15 on Thursday, May 8:

Circle No. 1 with Mrs. Roy Woods, 1018 West Seventh.

Circle No. 2 with Mrs. W. F. Schwenk, 1517 South Barrett.

Circle No. 3 with Mrs. E. E. Hammond, 1432 South Sneed.

Circle No. 4 with Mrs. Aubrey Case, 1016 West Tenth.

Circle No. 5 with Mrs. Porter Morton, 406 East Fifth.

Circle No. 6 with Mrs. R. R. Conn, 820 West Third.

Circle No. 8 with Mrs. C. M. Case, 311 North Quincy.

Circle No. 11 with Mrs. Emma Moon, 621 East Seventeenth.

WSCS of Epworth Methodist Church will meet at 2 p.m. Thursday at the church. Installation of officers will be held.

Friendship Class of the Fifth Street Methodist Church will meet 2 p.m. Thursday at the church. Roll call will be answered with a scripture pertaining to mother.

The Philathea Class of the First Methodist Church will meet at 2 p.m. Thursday, May 8, with Mrs. A. C. Runge, Hughesville. Assisting hostesses will be Mrs. Ray

Episcopal Bishop Urges Church Unity

ST. LOUIS (P)—The Rt. Rev. William Scarlett, making his final report as Episcopal bishop of Missouri, last night appealed to his church to take serious steps toward a union with other Protestant churches.

Bishop Scarlett, stepping down after 22 years as head of the Missouri diocese, urged the union at the annual convention of the Missouri diocese. He will retire next Nov. 1 to be succeeded by Bishop Arthur C. Lichtenberger.

"If our laymen could really be aroused to the importance of this issue, the 'scandal' of our present disunity and its waste and ineffectiveness, and the incompetency with which it forces us to put up," Bishop Scarlett said, "perhaps some motion could be put into this movement for church unity."

Commenting that there are some in the church who oppose such unity on any terms, Bishop Scarlett warned "if they had their way, they will in time reduce us to a small and insignificant group between two giants—the inevitable union of most Protestants on the one hand and Roman Catholicism on the other."

Martin and Miss Lillian Mais. Those desiring transportation will meet at the church at 1:30 p.m.

The Women of the Trinity Lutheran Church will meet at the home of Mrs. Q. A. Morgan, 118 West Seventh, Thursday, May 8, at 2 p.m.

The Dorcas Circle of the Broadway Christian Church will meet all day Thursday at the home of Mrs. W. A. McVey, 1607 East Broadway.

Past Noble Grand Club will meet all day Friday at the home of Mrs. Ira Barnes, 909 West 10th. A contributive luncheon will be served.

Xi Omega Chapter, Beta Sigma Phi, will meet at the home of Mrs. Cecil Damp, 1114 West Seventh, at 8 p.m. Thursday.

FRIDAY

Quisenberry Community Club will meet Friday night, May 9. There will be a special musical program in observance of Music Week. Refreshments will be served.

SUNDAY

A special dinner will be served at the Sedalia Country Club Mother's Day from 12:30 to 8 p.m.

Area Calendar

THURSDAY

Camp Branch WMS will meet 2 p.m. Thursday at the church.

7 Die In Train Crash

SYDNEY, Australia (P)—A speeding electric train crashed into the rear of another train waiting at a station during a dense morning fog today, killing seven persons and injuring more than 100.

Do Your Legs Itch?

A Lack of Natural Skin Oils Often the Cause

Dry skin, a lack of natural skin oils, often causes maddening, persistent itching of legs and ankles. Resinol, the medicated, oil-rich ointment that lubricates parched skin surface, sets in place of nature's own missing oils. Resinol quickly agonizing itching almost immediately. Comfort lasts for hours as Resinol helps Nature heal irritated parts. Resinol ointment is wonderful for irritation of cold sores, minor burns, also dry eczema, winter itch, chapping, chafing, mental itch. For babies, Resinol gives gentle relief from discomfort of diaper and minor skin rashes, chafing, prickly heat. For best results, also use lightly-medicated Resinol Soap, the refreshing gentle-action cleanser.

First Baptist YWA Meets With Miss Self

The Young Women's Auxiliary of the First Baptist Church met at the home of Miss Anita Self, 1601 South Vermont, Tuesday evening.

As the community project for the month, the group decided to make place cards for the mother and daughter banquet which will be held in the year future.

Miss Dorothy Kirkpatrick, who will be married soon, to Jerry Luchs, was presented a gift.

Refreshments were served and remainder of the evening spent in conversation.

Walnut Grove Club Gives to Cancer Fund

The Walnut Grove Homemakers Club met April 24 with seven members and two guests present.

The devotional was given by Mrs. J. J. McBride. Mrs. F. O. Rimel read the news letter. The club donated \$1 to the Cancer Crusade. Mrs. Rimel gave a very interesting discussion on "Widows and Their Treatment".

The next meeting will be May 29.

Opti-Mrs. Extension Club Gives to Funds

Mrs. Milton Schlotzhauer, Pilot Grove, was hostess to 14 members and one visitor of the Opti-Mrs. Extension Club at her home Thursday afternoon, May 1.

Mrs. L. H. Judy reported on the tea honoring the home economics students. A discussion was held on the newly organized 4-H club and the standard of achievement. A donation was given to the student loan fund and for the house for home economics students in Columbia. Mrs. Henry Jeffress read the news letter on "Leadership and Friendship".

Mrs. J. H. Coleman spoke and gave a demonstration on "Foot Care" and was assisted by Mrs. Willie Raymond.

Many ancient peoples had bathrooms in some of which the bathing facilities apparently were as adequate as those in modern buildings.

HEARTBURN?

Relieve Acid Stomach with **TUMS**

Almost instantly TUMS get rid of excess acid—relieve gas, heartburn, stomach ache due to acid indigestion. Yer TUMS contain no bicarbonate to over-alkalize or cause acid rebound. Minty. Pleasant-tasting. Still only 10c.

4-door, 6-passenger Special. White sidewalls optional at extra cost.

Mrs. Walter Kraft Hostess to Smelser Club

Mrs. Walter Kraft was hostess to nine members and two guests of the Smelser Extension Club at her home April 24.

Mrs. Kraft spoke and gave a demonstration on the treatment of windows. Plans were discussed to attend handicraft day at Maplewood Hall. A donation was given to the Cancer Crusade.

The next meeting will be May 22 at the home of Mrs. Everett Vannoy. The care of a sewing machine will be discussed.

Old Bureau

The U. S. Weather Bureau is a part of the Department of Agriculture. It was established in 1890 to collect reports of weather conditions.

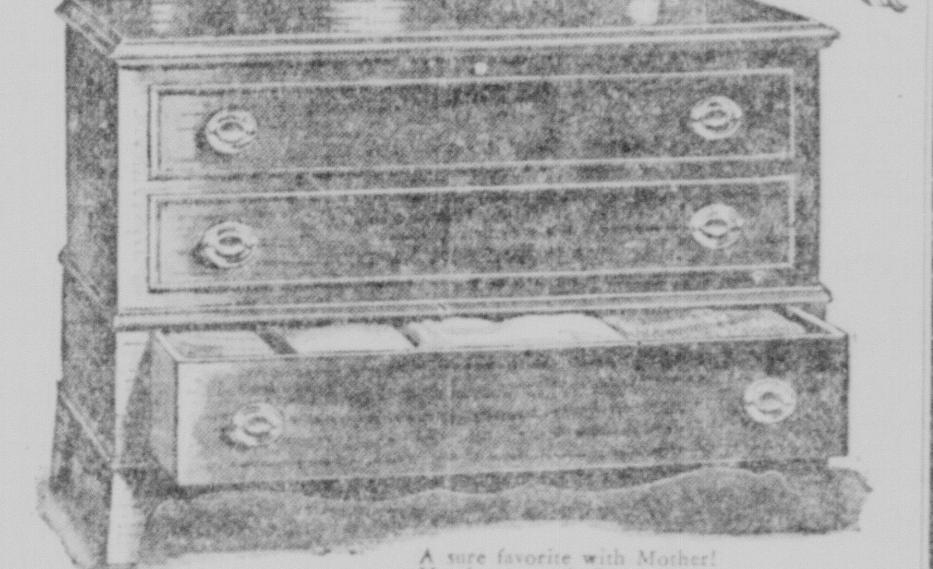

Saddle Club Riders Enjoy Drill, Races

Last Sunday was a beautiful day for horseback riding and a large number of the State Fair Saddle Club members took advantage of the weather by being at the carnival grounds on the State Fair Grounds where they participated in the drill and races.

Those taking part in the drill were: Clay Brown and Penelton Hieronymus, drill leaders; Henry Beck, Charles Ramseyer, George Pittman, Ray Dawson, Frank J. Hieronymus, John Wall, Dewey Swope, Duane Ewing, Mrs. Kenny Kehl, Stanley Ulmer, Raymond Chancey, Herman Chancey, Carl Romig, Mrs. Dewey Swope, Jess Dawson, Miss Peggy Kehl, Charles Dowdy, Carl Heurman, George Fairfax, Earl Lashley, Roy Wayne

BUICK
will build them

It makes each drop of gas say uncle

ACCORDING to combustion experts, there's as much energy locked in a drop of gasoline as there is in a drop of nitroglycerine. But the problem is to put that energy to work. So Buick engineers aren't content just to mix that drop with air and touch it off. They've designed an engine that brings it catapulting into a cylinder head where it strikes a turbo-top piston—gets whipped into a churning, swirling ball of tight-packed energy.

Then it's fired. And when that happens, a drop of gasoline certainly lets loose power.

This isn't something that happens in a "car of the future."

It happens in a Buick Fireball 8 Engine today. It's a high-compression engine. It's a valve-in-head engine. But it's also a Fireball in performance as well as name.

And it puts extra power under the hood—and extra miles in the fuel back in the gas tank.

Now, power is great, but what goes with it?

Mister, that's something you ought to find out—and soon.

What goes with it is an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a faster beat.

It's a car that seems to know what you

Methodists End Session With Action

SAN FRANCISCO (P)—The quadrennial General Conference of the Methodist Church closed a legislation-packed 14-day session last night with a parting shot at smoking.

In the final, fast-moving session, the conference voted to continue the no-smoking pledge required of ministerial candidates. It voted against giving full ministerial rights to women, set forth the church's views on war and peace, made a change in the church's social creed and set up a new board to study social and economic relations.

Church spokesmen said the conference made more major changes in church organization than any since the first conference of the United Methodist Churches in 1929. It also handled a record number of legislative petitions.

From a survey commission report on overhauling church structure, the conference chose the least controversial parts and ordered them enacted. It agreed to redraw the organization of the 40,000 local churches, making an expanded official board the administrative authority in each.

The 720 delegates from some 25 countries passed resolutions calling for elimination of racial discrimination and censuring the unofficial Methodist Federation for Social Action, which many churchmen labeled leftwing. They agreed that Negro churches might join white jurisdictions if all parties consented. They decided unordained pastors could administer the sacraments only if they were studying for ordination.

To run church agencies until the quadrennial conference of 1956, delegates voted a record general budget of 11 million dollars for each of the next four years.

Some of the most bombastic debate came in the final hours. Urging the conference to throw out the no-smoking pledge, the Rev. Dr. John M. Versteeg of Athens, O., demanded:

"Did you ever hear of a man coming home and beating his wife and children because he had too much smoke inside him?"

The Rev. Dr. Cyrus Albertson of Seattle voiced the opinion of opponents when he said:

"It's not so much tobacco use as the impression ministerial candidates will get that somehow the Methodist Church has pulled down its standards."

Ease Mexico Travel

MEXICO CITY (P)—Mexico has eased restrictions on through air passengers, dropping requirements for transit visas or tourist cards.

U.S. citizens in transit need only show some proof of their identity. Those who spend the night in the country must have either a tourist permit or visa, however.

Royal Princes Become Real Boys When Wild West Togs Are Spotted

LONDON (P)—The call of the Wild West clashed head-on with the royal dignity of two young princes yesterday—and the lure of cowboy land won easily.

It happened at the British Industries Fair. Prince William, 11, and Prince Richard, 7, sons of the Duke and Duchess of Gloucester, were accompanying their parents and their cousin Queen Elizabeth II on a tour of inspection.

They tagged along politely while their elders made polite comments until they got to a stand bearing boy-sized cowboy and Indian paraphernalia. There they suddenly

broke ranks and made a quick dive into the knives, guns, chaps and tomahawks presided over by Charles Penn, a Californian.

"They picked up some of the cowboy models, grabbed the rubber tomahawks and were just about to have a real good fight," Penn said.

Then the duchess started in after them. "She was just like all boys' mothers, you know," Penn said. "She said, 'hi, come here, both of you. And put those down — at once.'"

The boys reluctantly became prim and dignified princes again. The bussoon can be used for comic effects in orchestration and hence has been called the humorist of the orchestra.

French Release Nationalist Leaders

TUNIS, Tunisia (P)—French authorities last night released four nationalist leaders, including former Premier Mohammed Chenik, from island exile within hours after

a high U.S. official called on French Resident General Jean de Hautecloque.

The American official is Henry Byroade, U.S. assistant secretary of state for Middle Eastern affairs, who is now touring Tunisia. Byroade called also on Tunisia's figurehead ruler, the Bey of Tunis, and the pro-French Premier, Sal-

ah-eddine Ben Mohammed Bacouche, who was installed as nominal head of the government after the French ousted Chenik two months ago.

Parleys Near A Full Break With No Plan

MUNSAN, Korea. — Korean truce talks sank to an all-time low today after the Communists rejected the Allies' "clear, final and irrevocable" package proposal.

The official Allied spokesman said, "There is nothing left to discuss."

Top negotiators of each side told the other, "The next move is up to you."

Agreement appeared so remote the United Nations Command proposed an indefinite recess of armistice talks. But full delegations will meet again tomorrow at 11 a.m. (9 p.m. Wednesday, EST) at Red insistence.

Negotiators abruptly ended the secrecy which had shrouded the talks since the Allied package deal was presented April 28. In Tokyo, Gen. Matthew B. Ridgway promptly announced the virtual Allied ultimatum. It is a three-point package.

1. The U.N. Command would return 70,000 of 132,000 captured Chinese and North Koreans in exchange for 12,000 Allied troops held by the Reds. This is the crux of the deadlock.

2. The Communists would be permitted to build and repair North Korean airfields.

3. The Reds would drop their nomination of Russia as a "neutral nation" to help police a truce.

Ridgway said this was a package to be accepted as a whole. He said:

"Our position is one from which we cannot and shall not retreat."

The Communists turned down this package and submitted a counter-offer Friday. It was disclosed.

The Reds rejected it.

Under the Red plan the Communists would get back 132,000 prisoners in exchange for 12,000 U.N. POWs. The other two points would be the same as the Allied plan.

The Reds previously had hinted repeatedly they wanted to swap Russian supervision for the right to repair airfields.

The big issue is voluntary vs. involuntary repatriation of prisoners. The U.N. Command says only 70,000 prisoners of war and civilians said they would be willing to return to Communist territory.

Some others even threatened suicide rather than return.

The Allied package provided for neutral interviews of all unreturned prisoners after an armistice. Communist observers would be present. Anyone who then said he was willing to be repatriated would be returned promptly to the Communists, Ridgway said.

At Wednesday's negotiating session Communists restated their views at length, an Allied communiqué said. Vice Adm. C. Turner Joy, chief U.N. delegate, replied:

"Our position is clear, final and irrevocable. The issues are thoroughly understood and it is pointless to debate them further."

"Unless you have something new to offer, I propose we recess until such time as you desire to meet again."

The Reds had nothing new to offer but North Korean Gen. Nam Il asked for another meeting Thursday — without the veil of secrecy.

Secrecy was both imposed and removed at Allied request. Ridgway explained it was imposed "to

WITH CRASH CREW — Son of Mr. and Mrs. D. H. Neiberger, 1515 East Fifth, is in the crash crew, stationed at Santa Ana, Calif. He has been in service since January. (Photo by Lehmer).

Final Consideration On Foreign Aid Bill

WASHINGTON. — The House Affairs Committee started final consideration of the foreign aid program today after cutting more than one billion dollars from funds earmarked for Europe.

The committee approved a total reduction of \$1,010,900,000 or 12.8 per cent of the \$7,900,000,000 which President Truman requested.

The cut paralleled a one-billion-dollar slash made by the Senate Foreign Affairs Committee. But the House group confined its cuts to Europe, instead of distributing them throughout the global program.

Jean Vacationing

LONDON. — American film and stage star Jean Arthur began a three-month vacation in England today and asked photographers not to take her picture, please.

With her hair clipped short and wearing dark glasses, she explained apologetically: "I'm ugly without Hollywood makeup."

Tons of Earth Pin Down Boys, Kill Four

SAFFORD, Ariz. — The sandy banks of an excavation for a sewer line crashed down on seven boys yesterday, killing four and pinning the others temporarily under tons of earth.

The dirt gave way suddenly as the youngsters were playing in the bottom of the nine-foot ditch.

Police and firemen were summoned quickly but their rescue efforts were hampered by sand which kept crumbling back into the hole.

The dead were Manuel Sanchez, 12, his two brothers Junior, 10, and Mario, 5, and Rito Bencomo, 9.

A-Bomb Lights Up City Today 75 Miles Away

LAS VEGAS, Nev. (AP)—An atomic blast, touched off from a tower at the Yucca Flat test area, brilliantly lit up the pre-dawn sky today.

Scores of persons from hotel rooftops and lawns saw the light flash across the cloudy sky and then dim to a ruddy hue.

Buildings in this resort city, 75 miles from the test area, became plainly visible for a moment as though from "white sunlight" here, and of Caliente, Nev., 165 miles northeast, to be prepared for a shock from the A-blast.

Atomic Energy Commission aides had warned residents of St. George, Utah, 125 miles north of here, and of Caliente, Nev., 165 miles northeast, to be prepared for a shock from the A-blast.

AEC scientists expected to make vital comparisons between this test and the first five held at the Nevada site in early 1951. All of those shots were in the dark. Since then all explosions have come at dawn or later.

Dr. Alvin C. Graves, test director, says a darkness experiment is easier to record photographically. This is important from the standpoint of scientific measurements.

No troops were to be sent in this test, the Army said. Another group of 1,500 soldiers is being readied, however, for an atomic maneuver sometime next week.

The explosion was the fifth in the series, the 17th at the proving grounds here and the 29th atomic blast, unofficially by the United States.

Herndon Wins Trip

Jack Herndon, manager of Singer Sewing Machine Company, is enjoying an all expense paid fishing trip to Bull Shoals Lake, Oakland, Ark., as a result of his store having won a recent sales contest.

Fifty Singer Sewing stores competed in the contest. Lester Palmer, assistant manager, and Willard Morris, sales representative, also won an extra week's vacation.

NEW MPS PLANT—Part of a \$7,000,000 construction project to be initiated immediately by the Missouri Public Service Company includes this electricity generating steam-plant. Output will add 27,000 kilowatts to the company's power reserve. The plant will house the largest privately owned generator between Kansas City and St. Louis. It is to be located at Pleasant Hill, Mo.

Missouri Public Service Begins Work on 7 Million Dollar Project for Area Electricity

Work will begin immediately by Missouri Public Service Company on a construction project to supply electricity for western Missouri.

The plant will consist of a 27,000 kilowatt turbo generator unit and a 200,000 pound-per-hour steam boiler. It will be the largest privately-owned steam generating unit between Kansas City and St. Louis.

The plant will require approximately 20 months for its construction.

The additional generating capacity is scheduled to be added the latter part of next year to the electric system of the Missouri Public Service Company.

Steam plants of the company presently are located at Clinton and Sedalia. Large diesel generating stations are located at Nevada, Trenton and Ridgeway and the company procures additional

energy from a hydro-electric dam near Osceola.

The new Pleasant Hill plant is capable of producing more than half the total energy required by industries and residents of the 144 cities and towns and rural areas now served by the Missouri Public Service Company.

Other construction projects to be initiated by the company in the immediate future call for an expenditure of an additional \$3,000,000, Mr. Green announced.

These include the erection of 32 miles of high-voltage transmission lines from Raytown to Pleasant Hill and extension of the line from Pleasant Hill to Harrisonville to provide additional reserve capacity to serve the company's load requirements.

Also involved is the construction of a 69,000 volt transmission line from the Clinton power plant to Appleton City to meet the expanding needs of coal mining activities in the Clinton area.

Mr. Green pointed out that the present power reserves of Missouri Public Service have placed the company in an enviable position

in being able to assist the towns and cities it serves in attracting new industries to their localities.

"Our underlying purpose in building this new power plant at this time is to keep faith with those we are permitted to serve in western Missouri," Mr. Green declared.

The additional power to be made available for our area by this new plant will provide a substantial power reserve at continued low rates which should prove attractive to any industry contemplating western Missouri as a factory site."

The electric lines of Missouri Public Service Company reach to the Iowa State line, embrace Sedalia to the east, tie in to Lamar in the south and surround Kansas City in both Jackson and Clay counties on the west.

The company also serves the Osage Valley Electric Coop., Barton County Electric Coop., Central Missouri Electric Coop., Co-Mo Electric Coop., Grundy County Electric Coop., Sac-Osage Electric Coop., West Central Electric Coop., Platte-Clay Electric Coop. and the Southwest Electric cooperative.

Calls Germ War Charges 'World Crime' by Reds

WASHINGTON (AP)—Secretary of State Acheson today denounced as "an international crime" Russia's campaign of charges that the United States is waging germ warfare in Korea.

Acheson spoke out at a news conference. He also said Moscow is insisting it wants peace but a campaign of hate against America and Americans.

He said this situation is one of the indications of Russia's intentions in proposing a Big Four peace conference on Germany.

As other indications of Russia's real intentions, Acheson cited the attack by Soviet fighter planes on a French plane in Germany and efforts by Communist-run East Germany to incite Western Germans to overthrow the Bonn government.

Acheson's denunciation of Moscow tactics today was among the strongest he has made.

He read a detailed statement scoffing at the alleged confessions of two American fliers, broadcast by the Communists, that American actually were waging biological warfare in Korea.

Missourian Wins Honor Medal For Giving Life; Saves Others

TOKYO (AP)—A Missourian, who gave his life to save those of two comrades, has been posthumously awarded the Congressional Medal of Honor.

He is Pvt. Billie G. Kanell, 20, Poplar Bluff, Mo., who became the 47th winner of the nation's highest award in the Korean war.

His parents are Mr. and Mrs. John W. Kanell, 1301 South 13th St., Poplar Bluff.

The action for which he was cited took place during a fanatical night attack last Sept. 7 near Pyongang, North Korea. An enemy grenade landed in a position occupied by Kanell. He was wounded severely when he fell on the exploding grenade. When another grenade was thrown into the position a few minutes later, Kanell was wounded fatally shielding his two companions from the blast.

Pfc. Filemon M. Rodriguez, Castroville, Calif., one of the two soldier companions of Kanell, described the action this way: "We were subjected to intense enemy mortar, artillery and automatic weapons fire. Private Kanell, another man and I were in the same hole as part of the defensive line that had been set up. The attack became so severe that the enemy was within a few feet of our position. They threw numerous grenades at our hole, trying to knock out the automatic weapon I was firing."

"A grenade landed in our hole and Private Kanell, without regard for his own personal safety, flung himself on it and absorbed the impact of the explosion with his body. He was wounded severely. A few seconds later another grenade landed in our hole and Private Kanell rolled upon it, again smothering the blast with his body, an action which fatally wounded him."

"His action saved my life and that of my assistant automatic rifleman."

Medal Means Nothing To Grieving Mother

POPLAR BLUFF, Mo. (AP)—"Medals don't mean anything when you lose a boy like him," Mrs. John W. Kanell of Poplar Bluff said today when advised the Congressional Medal of Honor had been posthumously awarded her son, Pvt. Billie G. Kanell, aged 20.

Mrs. Kanell had not been officially advised of the award, and with tears in her eyes, she said, "It just doesn't seem possible he is dead." Her husband, a railroad man, could not be reached for comment.

Oppose Bill To Ban Strike In Vital Firms

WASHINGTON (AP)—The Labor Department, evidently with President Truman's backing, today strongly opposed a bill to block strikes in defense-vital plants by providing receivers for industrial firms and unions when they are deadlocked in dispute.

Secretary of Defense Lovett had given some qualified support to the idea of outlawing strikes in essential industries during the emergency when Labor Department's attitude was made known at hearings by the House Armed Services Committee.

Committee aides read a letter from Ralph Wright, acting secretary of labor, saying the measure "violates several important criteria" for labor legislation.

Wright said his letter had been cleared with the Bureau of the Budget which voiced "no objection." Committee officials said this implied administration support for the views expressed.

Also read to the committee was a letter from Philip B. Perlman, acting attorney general, declining to make any recommendation. Perlman said the issue was outside his department.

John A. Stephens, vice president of United States Steel Co. and the industry's chief negotiator, wrote the committee the bill would insure production but added to "get at the cause of the problem. . . union power used to create an emergency."

Lovett, who came before the group and testified, said there is urgent need for full production of steel, oil and other military necessities and that the measure appeared "sound" as a means of getting production.

Wright said his letter had been cleared with the Bureau of the Budget which voiced "no objection." Committee officials said this implied administration support for the views expressed.

Also read to the committee was a letter from Philip B. Perlman, acting attorney general, declining to make any recommendation. Perlman said the issue was outside his department.

John A. Stephens, vice president of United States Steel Co. and the industry's chief negotiator, wrote the committee the bill would insure production but added to "get at the cause of the problem. . . union power used to create an emergency."

Lovett, who came before the group and testified, said there is urgent need for full production of steel, oil and other military necessities and that the measure appeared "sound" as a means of getting production.

Wright said his letter had been cleared with the Bureau of the Budget which voiced "no objection." Committee officials said this implied administration support for the views expressed.

Also read to the committee was a letter from Philip B. Perlman, acting attorney general, declining to make any recommendation. Perlman said the issue was outside his department.

Oppose Bill To Ban Strike In Vital Firms

WASHINGTON (AP)—The Labor Department, evidently with President Truman's backing, today strongly opposed a bill to block strikes in defense-vital plants by providing receivers for industrial firms and unions when they are deadlocked in dispute.

Secretary of Defense Lovett had given some qualified support to the idea of outlawing strikes in essential

Stover Pastor Hopes To Leave Hospital Soon

By Mrs. Arthur Ward
STOVER—The Rev. A. C. Zillinger of the American Lutheran Church, who was taken seriously ill while on his way to a conference in Colorado, is improving and hopes to leave the Alma, Neb., hospital for home in two weeks.

Misses Ida May and Ruth Case of Kansas City spent last weekend with their parents, Mr. and Mrs. Louis Case, and accompanied them to Ava, Mo. to visit their uncle, Delbert Case and family.

Mr. and Mrs. F. J. Kraxberger and Mrs. Herman C. Young and Mrs. Clarence Eckhoff were business visitors in Eldon and Versailles Saturday.

Mrs. Herbert Van Holten is ill at the house of Mr. and Mrs. Ed Kipp.

Approximately 540 persons of this community, including a number of Versailles students, took advantage of the free T. B. x-ray tests given here April 18 by the county and state T. B. association.

Mrs. Walter Raines has been ill the past week from the effects of a tonsillectomy two weeks ago.

Roy Winer received a telegram of the death of his 84-year-old uncle, Albert Winer of near Waterloo, Ia.

Our town and community was shocked and saddened by the sudden death Friday night of one of our leading merchants, Charles Detherage. Services conducted by the Rev. Van Leer were held at the Stover Methodist Church. Burial was at Paola, Kan.

Dr. and Mrs. Wescott will move Wednesday into a new home recently purchased from Harold Case, Jewel DeLong and family will move in the house vacated by Wescotts.

Mrs. Gordia Rapp will leave Saturday for New Franklin to care for Mrs. J. B. Starkey in the home of her son.

The WSCS met in the church parlors Friday night for its regular monthly meeting with 20 members present and one guest, Dr. Wescott's mother, Mrs. Arthur Ward. "Harmonizing Labor Relations," assisted by Mrs. Francis Crenshaw and Mrs. Lily Williams, Mrs. Inez Rapp gave a vocal solo.

A large audience enjoyed the high school senior play Friday night, directed by Dave Wilson. Ten were in the cast.

Mrs. Roy Hotman and son Lowell and Mrs. Bertha Webb of Kansas City spent Thursday with Miss Hattie Hotman and Mr. and Mrs. Clarence Auscain. Seaman Lovell has finished his navy training in San Diego, Calif. and will be stationed on a destroyer.

J. L. Crenshaw has started a new residence and has room for three more to be built in the south part of town on land recently purchased from Mr. and Mrs. Emerson Brown. Harold Case is head carpenter.

Mrs. Lee Smithson spent Wednesday with her father in a Kansas City hospital, where he is recovering from the second operation.

Mrs. Gertrude Elkins is still bedfast from the results of a car accident two weeks ago.

Mrs. Willie Geary is convalescing at her home after a week in Bothwell Hospital.

Mr. and Mrs. Lee Smithson showed moving pictures at the Methodist Church Sunday night of their vacation in Mexico last summer. These beautiful pictures were shown in connection with the WSCS study of Latin America.

The C. E. Burke and Raymond Witte residences are nearing completion.

Miss Viola Roland of Kansas City spent the weekend with her mother, Mrs. Eunice Rowland. Den Hamrick also of Kansas City, spent the weekend with his parents and took his mother for a hospital checkup.

The Home Extension Clubs of Morgan County will hold their annual musical concert at the Methodist Church here in the evening of May 9. A tea will follow the program.

The Commercial Club held its regular meeting Thursday night in the Methodist Church, with members of the WSCS serving the dinner.

The speaker was the Rev. Jay W. C. Moore of Muskogee, Okla., who was in the association to help in two vacation Bible school clinics. He spoke on, "Major Needs of Rural Communities."

Two vacation Bible school clinics were held last week in the Lamine Baptist Association under the direction of the missionary, the Rev. J. M. James, and the association VBS superintendent, Mrs. Clarence Brumback. The first clinic was held at Versailles on

Virus X Really 30 New Diseases All Yet Unknown

By HOWARD W. BLAKESLEE
AP Science Editor

BOSTON (AP)—The mysterious virus X is really 30 new diseases. The doctors are not yet acquainted with most of them and so they call these troubles X.

How the wonder-drug antibiotics brought this to pass was described to the Society of American Bacteriologists today, in a symposium on viruses.

When antibiotics, such as penicillin, streptomycin, aureomycin and all the others save our lives, or cure serious illness, they kill a lot of our most dangerous germ enemies. That leaves our bodies open to attack from a less dangerous but large host of viruses. Because of the antibiotics, the bacteriologists have been discovering them in rapid succession.

We always had them, but they were lumped together under Vague names like congestion, catarrh, summer flu and a number of bowel troubles. Now that they are out in the open they number at least 30.

The bacteriologists are worried about the antibiotics all of us are getting in our daily food. We get tiny bits from milk, due to giving them for cattle diseases. Also from pork because antibiotics are given to pigs to make pigs grow faster. From chicken and eggs for the same reason. Parenthetically, the Swiss cheese makers are tearing their hair because these antibiotics in milk interfere with making their holes.

The bacteriologists fear that these tiny quantities will sensitize us so that some cannot take antibiotics when ill. They also reported today that the antibiotics in milk kill some germs in our bodies which make vitamins for us.

MAKES SOLO FLIGHT—Cadet Kenneth W. Reed, USN, son of Mrs. Ina M. Reed, 605 North Quincy, recently completed the first phase of his naval aviation training by taking his solo flight. Working for his Navy wings of gold and a commission as Ensign in the Navy, Reed flew for the first time, unescorted by an instructor, in the Navy's sturdy SNJ Texan Trainer. He is stationed at Whiting Field, Milton, Fla.

Thursday with workers from the following churches present Mt. Carmel, Locust, Bethlehem, Stover, and Versailles. On Friday workers were present from Buncheon, Mt. Olive, Otterville, Peninsula, Mt. Nebo, and Stover at the second clinic held at the Mt. Neb Baptist Church near Buncheon.

The regular quarterly Lamine Baptist Association Sunday School meeting was held at the Buncheon Baptist Church Monday evening with a total of 43 persons present. They represented the following churches: Booneville, Buncheon, Mt. Nebo, Stover, Versailles, and Syracuse.

Controls nearly every species of brush...

**ESTERON
BRUSH KILLER**

GET RID OF BRUSH
THE CHEMICAL WAY...
SEE US FOR
ESTERON BRUSH KILLER!
Contains only low-toxicity esters

Where brush is a problem, we
recommend Esteron Brush Killer.
It will control nearly every kind of
woody plant, including: alder, wil-
low, birch, brambles, honeysuckle,
osage orange, poison ivy, oaks, and
many others. This is the product
used by leading utility companies
to keep right-of-ways cleared of
woody growth. We have complete
recommendations for use of Esteron
Brush Killer in pastures, along fence
rows, ditch banks and highways.

DOW
DEPENDABLE AGRICULTURAL CHEMICALS

2-4 DOW WEED KILLER

2-4 Dow Weed Killer formula 40 contains
approximately 67% of the alkylamine salt
of 2, 4-D which is equivalent to 40% by
weight or 4.2 pounds 2, 4-D acid per gal-
lon. High in acid content and economical to
use 1 1/2 pints treats 1 acre grain; 1 1/2 qts.
treats 1 acre moved turf such as a golf
course; 2 teaspoons makes 1 gallon of spray
which covers 250 square feet.

1-gallon \$6.28

5 gallons \$29.95

ESTERON BRUSH KILLER

Esteron Brush Killer is a liquid formula-
tion containing equal amounts of the esters
of 2, 4-D and the new chemical, 2, 4, 5-T.
Extensive use has shown that Esteron Brush
Killer will effectively control most kinds of
brush. It is recommended for use in pastures,
along roadsides, fence rows or any other
place where brush is a problem.

**SCREW WORM
CONTROL**

The screw worm problem is of such serious
nature that research is constantly in progress to de-
velop the most effective products possible for control.

Animals infested with screw worms lose weight
rapidly and get into a run down condition and quite
often if not treated, die. Smear No. 62 is one of the
older preparations that is widely used and is very
effective...it kills and prevents infestation. EQ
335 is a new product which was also developed by
the Department of Agriculture after extensive ex-
perimentation in Texas. EQ 335 kills and prevents,
it contains Lindane and leaves a softer covering over
the wound and promotes faster healing. This prod-
uct is non-staining and clean to use.

The newest addition to the group of screw worm
killers is a screw worm bomb which promises to be
a huge success because of the simplicity of use...
all you do is press down on a valve button and
spray the solution into the wound. It kills screw
worms, and promotes healing and prevents reinfes-
tation for at least a week.

S-C Trackmen Take Conference Crown

Smith-Cotton track coach Bob Karnes asked for "something extra" from his charges Tuesday afternoon, the versatile athlete complied, and the Tigers took their second consecutive Central Missouri Conference track crown.

As Sedalia went into their big meet of the year, held on the Columbia Kewpie track, they faced a series of trying problems centering around the hurdle and dash events. The Tigers' top hurdler, Floyd Burton, had been ill for more than a week and stood little chance of stopping Columbia's ace, George Simpson, and Karnes had but one reliable man, Dave Lingle, in the dashes.

Juggled—But Worked
The upshot of the whole deal was a juggled lineup—Burton concentrated on the dashes, winning the 100 and tying for second in the 220, and big Herb Ford ran the high hurdles and dashed second.

These points, which easily could have been missed, pushed the Tigers to a 53½-point total for top money. Columbia placed second with 32, Kemper had 26½, Jefferson City made 18½, MMA totaled 16½, and Hannibal, minus the brilliant Lowell Bonifield, ran last with 8.

But the "something extra" did not stop with Ford and Burton. Gene Rathburn tied for first in the high jump; the mile relay team, composed of Sonny Thomas, Harold Hughes, Richard Stephens and Chester O'Bannon, surprised favored Columbia; and Crosby Brown finished second in the mile.

As expected most Tiger stars ran true to form. Ford won both the shot and discus, which added to his three points in the high hurdles made him the meet's high point man. "Skip" Schulz and Jim Dent placed one-two in the pole vault; Chester O'Bannon, the CMC quarter-mile king, repeated in that event; and Richard Stephens took the half-mile.

Other Tiger Point Makers
Other Sedalia point makers were Lingle, fourth in the 100; Schulz, fourth in the high hurdles; Hughes, fourth in the 440; and Bob Lane, fourth in the 180-yard low hurdles.

Despite the Tigers' large margin of victory, the meet was by no means a runaway. At the half-way point (after the completion of the low hurdles) Columbia led Smith-Cotton by 2½ points. In the next event, however, Stephens won the half-mile, and the Tigers were never again in danger.

Two new records were established during the meet. As is his habit, both marks were set by one man, Columbia's George Simpson. The smooth-running Kewpie stepped the 120-yard high in 14.9, and sped over the 180-yard low in 19.6. Other fine marks were Schulz's 11-foot-3 in the pole vault; Burton's 10.4 in the 100, and O'Bannon's 54.2 in the quarter-mile.

After the meet Karnes had nothing but praise for all his performers. He was particularly proud of Ford's team spirit which,

Browns. With 2 Homers, Jump On Athletics, 5-1

By The Associated Press

The St. Louis Browns ended their losing streak at five by downing the Philadelphia Athletics, 5-1, with Duane Pillette scattering eight hits and Marty Marion and Clint Courtney hitting home runs. It was Courtney's first major league homer, and Marion's first in the American League.

Marion had gone hitless 16 consecutive times until the game at Philadelphia where he collected three for four. "A few more on the win side and those losses will just fade away," he said.

Stanky and His New Mates Dump Old Mates 9-1

By The Associated Press

Eddie Stanky's first start against his ex-clubmates of the New York Giants as manager of the St. Louis Cardinals was a big success.

The Cardinals knocked the Giants out of first place and snapped a New York winning streak of seven games with a 9-1 triumph last night at Sportsman's Park. It also boosted the Cards above the 500 mark.

The Giants took a three-run lead in the third but the Cardinals came right back with five scores in the same inning. Stanky himself starting the attack with a single. Catcher Del Rice put the Cards ahead with a two-run single in the third and singled across another run in the fifth.

Fighters Watch College Match Set for Tonight

CHICAGO (AP)—Professional boxing's big time will be waiting off-canvas tonight for the winner of the 16-round Chicago Stadium bout between young and lusty Chico Vejar and studious Chuck Davey.

The victor of this rare match featuring two college men has been promised a shot at Kid Gavilan's welterweight championship. This would be an exceedingly rewarding venture judging by the way the Vejar-Davey fight has caught on here.

Promoters are predicting a turnout of 10,000 fans and a gate of more than \$40,000, not including proceeds derived from sale of radio and television rights.

Both Vejar, a freshman at New York University, and Davey, who holds two degrees from Michigan State College, are popular fighters. Vejar is possibly the better known of the two, having made numerous Eastern appearances on television in compiling a record of only one defeat in 42 fights. He is a fast, busy and enthusiastic brawler who swings hard and often—hard and often enough to knock out 24 opponents.

Davey got off to a much slower professional start. He fought—and won—96 amateur fights, most of them as a student at Michigan

Blues Building Back from Bad Start, Now 3rd

By The Associated Press

The Kansas City Blues, off to a bad start in the American Association, gradually have climbed to third place in league standings. The Blues were worked over pretty severely in the early games.

State and a member of the Spartans' boxing team. Since turning pro, he has paced himself slowly. He won 30 small purse fights and drew once. Then he bid for and got a match with Ike Williams, the former lightweight champion. That fight was held in Chicago six weeks ago and ended in the fifth round with Davey the victor by a technical knockout.

Odds makers have favored Davey since the match was announced. Early figures ranged up to 2-1. Now they're about 6-5.

in last night's fourth league game, Indianapolis defeated St.

But lately have begun a drive that has given them a .550 won-lost percentage (11-9). They're only two games out of the lead.

The Association leadership has been dominated by Milwaukee and Louisville for the last week or so. The Brewers, who lost to Columbus 3-2 Tuesday, are now a half-game up on Louisville's Colonels, who beat Minneapolis, 7-2.

Paul 9-7 in a game that marked Rex Barney's first appearance of the season for the Saints. Barney, former Brooklyn pitcher, walked the first three Indianapolis batters and was taken out of the game.

Kentucky U. Admits Staff Is to Blame

LEXINGTON, Ky., April 10.—The University of Kentucky acknowledged today its administrative officials and athletics staff are partially responsible for the basketball scandal that struck the school.

It said, "Never again shall a scandal besmirch the name of their university" because it was resolved to make reforms that would avoid it.

Eleven officials including Gov. Wetherby and President H. L. Donovan of the university signed a preliminary statement replying to Judge Saul Streit of New York, who denounced Kentucky's athletic spending and policies.

The judge let forth his multiple-charge blast a week ago as he gave suspended sentences to former Kentucky cagers Alex Groza, Ralph Beard and Dale Barnstable, who admitted taking bribes to fix games. The judge was particularly harsh on Adolph Rupp, veteran basketball coach, and said he and the school must share responsibility.

The university replied, "We do not contend that our record in this affair is above criticism... but in establishing an athletics program... we affirm that we shall be answerable to the people of Kentucky, to the NCAA, and to our regional associations and that our policies will not be dictated by Judge Streit."

The school hit at the New York angle of the case scandal which spread to eight schools and 30-odd players.

"It would be well for Judge Streit to remind himself that not the least responsible, by any means, are those who have tolerated the unsavory environment in which Madison Square Garden operates."

The report asserted "there were no basketball fixes" before the collegiate game became a major Garden attraction. It added:

"University administrators and coaches have erred in several respects, but one of their gravest errors was in ever permitting a basketball team to play in Madison Square Garden."

Ned Irish, who brought college basketball into the Garden, was not available for comment.

The statement was prepared by representatives of university trustees, the athletic association and alumni. It mentioned two corrective procedures already taken: elimination of generous expense and entertainment allowances to players after bowl games and steps to eliminate undesirable recruiting of athletes.

switched to my fast ball, which was 'alive.' It was breaking up and away.

The Indians' tally off Reynolds came in the second inning. It was on singles by Dale Mitchell, Ray Boone and Birdie Tenbette.

Cleveland's triumph in the first two leading contenders for the American League flag kept the Indians within one game of the first-place Boston Red Sox, who trounced the Chicago White Sox, 11-2.

A pair of homers by Boston's Clyde Vollmer and another by Walter Dropo made it easy for right-hander Willard Nixon to register his first triumph. Vollmer also collected a single and double for a perfect night at the plate against Joe Dobson and two relievers. He batted in six runs.

Conrado Marrero pitched the third-place Washington Senators to their fifth straight victory with a 5-2 win over Detroit. Again Jackie Jensen and Archie Wilson, obtained from the Yankees last Saturday, were the big guns on attack for the Nats.

Brooklyn's Dodgers moved past New York's Giants into first place in the National League with a

10th-inning 5-4 victory over the Cincinnati Reds. Andy Pafo scored the winning run.

Robin Roberts hurled a brilliant two-hitter as the Philadelphia Phils snapped a four-game losing streak with a 6-0 victory over Pittsburgh. Johnny Klippstein pitched the Chicago Cubs to a three-hit 2-0 shutout over the Boston Braves in the only game played in daylight.

Installation By Lions Club At Knob Noster

By Mrs. Russell Kendrick
KNOB NOSTER — Dinner was served to members of the Lions Club at the American Legion Hall Monday night after which the following officers were installed: L. P. Lay, president; Leonard Clark, first vice president; Wells H. Thompson, second vice president; Tom Beatty, third vice president; Bob Carr, secretary; Dr. Max Rice, treasurer; Wallace Wimer, lion tamer; Bert Saults, tall twister and Zack Lemley and E. N. Wharton, directors for two year terms.

Mr. and Mrs. T. E. Boyd have returned from Halstead, Kan., where they went through the clinic for check-ups.

Ernest and S. L. Adams entertained with a dinner Sunday evening at Skyhaven Inn. Guests were: Mr. and Mrs. H. A. Wimer, Mr. and Mrs. R. J. Bagby, Mr. and Mrs. Lee Williams, Mr. and Mrs. Myron E. Davis and Mr. and Mrs. C. L. Saults.

The following members of the OES Chapter of Knob Noster attended a meeting in Holden Monday evening: Mr. and Mrs. F. L. Neitzert, Mr. and Mrs. Fred Neitzert, Mr. and Mrs. C. F. Covey, Mr. and Mrs. James Greer, Mrs. H. C. Schlusing, Mrs. Raymond Baker, Mrs. Margaret Hocker, Mrs. Addie Benson and Mrs. J. L. Woody.

Monday dinner guests of Mr. and Mrs. Warren Benz and children were: the Rev. and Mrs. J. L. Thorp, Kansas City, Mr. and Mrs. Claude Francis, Mr. and Mrs. Calvin Francis and Terry Lea, Mrs. Ralph Anderson and Patsy, Sgt. and Mrs. H. P. Davis and Janet, T. Sgt. and Mrs. Larry Willy and Laura Jo.

Mr. and Mrs. Newton Kendrick, Leeton, spent Monday evening visiting Mr. and Mrs. J. M. Kendrick.

Mrs. Bob Carr entertained her bridge club at luncheon Wednesday afternoon. There were two tables with favors for high score going to Mrs. Russell Kendrick. Mrs. C. S. Rhodes received the travel award.

Mrs. H. C. Schlusing, Mrs. Leonard Clark, Mrs. George Talley and Mrs. O. W. Peltman went to Warrensburg Tuesday and attended the WSCS meeting at the Methodist Church.

Mr. and Mrs. Lawrence Holland and children, Holden, and Mr. and Mrs. John Rittman were Sunday dinner guests of Mr. and Mrs. Adolph Jarolim.

Mrs. H. C. Schlusing spent Friday night in Warrensburg with her daughter, Mrs. Richard Thurston, and family.

Ireland Asks Return of Isles If Joins NATO

DUBLIN, May 3 (AP)—Ireland demands the return of her six northern counties as the price for joining the North Atlantic Treaty Organization.

Until the British end the partition they imposed in 1922, Prime Minister Eamon de Valera says Ireland will remain aloof.

Ireland's membership in NATO could be of vast importance to the Western Powers in the event of war. She has two well-equipped naval bases at Cork and Queens-town which NATO admirals say could be of the greatest benefit to the West in guarding the North Atlantic approaches.

"Membership in the North Atlantic Treaty Organization implies acceptance by each member of the territorial integrity of each of the several states," De Valera said in an interview.

"Britain claims as an integral part of her territory six of Ireland's counties. Ireland can never admit that claim and must refrain from appearing in any way to accept it. Were she to join NATO, she would be obliging herself to regard the six counties as being rightly a part of the British state and committing herself so to preserve it."

Bathtub vs. Cars

The United States contains fewer bathtubs than automobiles. Ratio is one bathtub for each six persons and one automobile for every four persons.

SPRAYERS

For use with all garden and flower sprays. Insecticides, disinfectants, etc.

Pulitzer Prize Winners Announced for This Year

NEW YORK (AP)—His novel of newsmen for printing certain military stories and photos which, it later turned out, actually had been released by the President and various government agencies.

In history, the prize went to Oscar Handlin, an associate professor at Harvard University, for his "The Uprooted." It is the epic story of migrations to America.

The biography award went to Merle J. Fuser for "Charles Evans Hughes," a study of the late chief justice. Fuser is associate editor of the Washington Post.

"Selected Poems" won the post-award for Morrianna Moore, a native of Brooklyn.

"Symphony Concertante" brought the music award to Gail Kubik, musical adviser and staff composer of the National Broadcasting Company.

Two special citations were awarded this year: to the Kansas City Star, and to Max Kase, sports editor of the New York Journal-American.

Editorial planning, organization and work of the news coverage of the 1951 floods in Kansas and Missouri rated the citation for the

Weekend at Pleasant Hill. Mrs. Edith Thomas, 825 East Fourth, spent the weekend in and with her mother, Mrs. Georgia Merriott, and aunt, Mrs. Emma Clemens.

Here's to a bright idea!

Bright is right! It's 2 beers in 1

THAT'S Country Club

Only Country Club is made from 2 fully aged beers... one light, one dry. Result: mmm! The Bright Beer!

You'd enjoy—all by itself—either one of the two great beers in Country Club. But together they make a beer that will surely set your taste a-tingle!

One of these fine beers, you see, is a light beer, complete and perfect in itself. One beer is a dry beer, brewed to perfection, too. Together they make a beer of truly magnificent flavor—Country Club, the bright beer!

Next time you feel a thirst coming on, introduce your taste to the greatest enjoyment beer can offer. Reach for inviting Country Club... the beer that's two beers in one!

DRY PLUS LIGHT
